The Renter agrees to compensate all damage in full, including costs of repair, replacement parts, transport, loss of profit, and other related costs, according to the Lessor's valid price list.

If the cause of damage cannot be clearly determined, it shall be considered that the damage occurred during the use of the vehicle by the Renter.

Insurance does not cover:

- vehicle rollover
- damage caused in extreme off-road conditions
- damage to plastic parts, chassis, tires, and mechanical components

The Renter is also responsible for the Lessor's loss of profit for the period during which the vehicle is out of service due to damage, calculated according to the valid rental price list.

7. DEPOSIT

The Lessor reserves the right to retain part or all of the deposit in case of damage, delay, excessive dirt, or other costs incurred during the rental.

If costs exceed the deposit amount, the Renter undertakes to pay the difference.

8. ACCIDENTS

Otherwise, the Renter bears full responsibility for all resulting damage.

The Lessor has the right, upon receiving official notice from authorities, to provide the Renter's data and charge all related costs.

In addition to the fine amount, the Lessor reserves the right to charge an administrative fee according to the valid price list.

The Renter is also responsible for any damage or costs resulting from use of the vehicle contrary to the laws of the Republic of Croatia, including driving on prohibited areas, endangering others, or damaging third-party property.
